Mission and Objectives

- To be a National Centre for excellence in educational planning and administration, intended to improve the quality of planning and administration in education by means of study, generation of new ideas, and techniques and disseminating them through interaction with, and training of strategic groups and to achieve the same;
- To organise pre-service and in-service training, conferences, workshops, meetings, seminars and briefing sessions for senior educational officers of the Central and State Governments and Union Territories;
- To organise orientation and training programmes and refresher courses for University and College administrators connected with educational planning and administration;
- To develop networking of Institutions engaged in identical task of as that of this Institute and to play supportive and collaborative role so that State/UT and regional level are gradually undertaken by them;
- To organise orientation programmes, seminars and discussion groups for top level persons, including legislators, in the field of educational planning and administration at policy making level in Central and State Governments;
- To undertake, aid, promote and coordinate research in various aspects of educational planning and administration, including comparative studies in planning techniques and administrative procedures in the different States of India and in other countries of the world;
- To provide academic and professional guidance to agencies, institutions and personnel engaged in educational planning and administration;
- To offer, on request, consultancy service to State Governments and other educational institutions;
- To act as a clearing house of ideas and information on research, training and extension in educational planning and administration services and other programmes;
- To prepare, print and publish papers, periodicals and books in furtherance of these objectives and especially to bring out a Journal of Educational Planning and Administration;
- To collaborate with other agencies, institutions and organisations, including the University Grants Commission, the University Institutes of Management and Administration and other allied institutions in India and abroad, in such way as may be considered necessary for the promotion of these objectives;
- To offer fellowships, scholarships and academic awards in furtherance of the objects of the National Institute;
- To confer honorary fellowships on eminent educationists for their contribution in the field of educational planning and administration; and
- To provide, on request, facilities for training and research in educational planning and administration to other countries, especially of the Asian Region, and Collaborate with them in programmes.

Chapter 1

An Overview

National Institute of Educational Planning and Administration is the apex Indian institution in educational planning and administration. Beginning as the UNESCO Regional Centre for Training of Educational Planners, Administrators and Supervisors in Asia and the Pacific in 1961-62, NIEPA is now a registered society, fully sponsored by the Government of India. As it changed its status and became an autonomous organization, there has been paradigm shift in its philosophy, inner functioning and development. It has shifted its focus from a primarily delivery institution to a resource institution. Earlier emphasis was on staff training; emphasis shifted to research and professionalization of capacity building efforts. NIEPA is primarily a research organization. The human capacity building is supported by research.

According to its charter, the Institute carries out five major sets of activities. These are:

- Research,
- Training,
- Consulting,
- Extension, and
- Dissemination.

In order to achieve these objectives, the Institute has organized itself in three types of academic units, namely, Thematic Units, Level Units, and Spatial Units.

The Thematic Units are:

- Planning,
- Administration,
- Policy,
- Finance, and
- Operations Research and Systems Management.

Level Units are:

- School and Non-Formal Education, and
- Higher Education.

Spatial Units are:

- Sub-national Systems Unit, and
- International Unit.

The academic activities of the Institute have been grouped into three major categories, namely, (i) capacity building; (ii) knowledge generation and application-research and action research; and (iii) dissemination of knowledge, consultancy, professional support and publications.

Capacity Building

Programme Thrust

The major thrust in capacity building has been on networking of training facilities in educational planning and administration and training of trainers so as to develop training capabilities at the regional, state, local and institutional levels.

In the training programmes emphasis was given to the priority areas, such as Education For All, Micro-level Planning, District Level Planning, Institutional Planning and Evaluation, Non-Formal and Adult Education, Planning and Management of DIETs, Tribal Education, Decentralized Administration, Gender Issues, Computer Applications, Planning and Development of: (i) Academic Staff Colleges; (ii) Autonomous Colleges; and (iii) Planning and Management of Quality.

Coverage

During the year, 53 programmes were conducted by the Institute. These programmes provided opportunities to 1560 participants drawn from various parts of India which included 108 from as many as 44 countries and eight international bodies.

Training Material

As a part of capability-building at the regional, state and national levels, self-learning modules, papers, statistical data reports on planning and administration have been prepared by the Institute. In every training programme a set of reading materials pertaining to themes of the programmes, prepared by the faculty and culled out from various sources, is provided to the participants.

Training Methodology

NIEPA is an interdisciplinary Institution. And, therefore, all its training programmes are also interdisciplinary. As such, the programme methodologies are designed accordingly. Without exception, programme methodology is informed by state

of the art multichannel learning systems, including lectures and lecture discussions, simulations, role-play, case studies, practical and syndicate work, participant seminars, etc. NIEPA classrooms are well equipped with modern educational technology facilities like computers with LCD projectors, video and television, overhead projectors, white marker boards, pana board, etc. Faculty is well conversant with the use of such aids in classrooms. One of the major interventions in programme methodology is field visit that encourages participants to explore for themselves the innovative methods of organization and management.

Programme planning is a bottom-up participative approach. It begins with the initiative of the individual faculty members; their proposals are reviewed at the Unit level with Heads of Units, Faculty level at the Faculty Council, followed by processing through Programme Planning Committee, Finance Committee, and Executive Committee that comprise external experts. Before launching the programme, each programme is further discussed elaborately by the Task Forces. Each programme is evaluated by the participants at the implementation stage and the feedback is used to modify, change and improve future programmes.

Research

NIEPA is primarily a research organization. A very important feature of the organization is that every academic staff is a researcher himself/herself. The research initiatives in the Institute can be classified into two categories, namely, commissioned research and self-initiated research. The Government of India, particularly, Ministry of Human Resource Development, and Planning Commission, various governmental agencies like University Grants Commission, state level institutions and international agencies active in education in India often commission research studies to NIEPA. Such researches are invariably funded by the commissioning agency. Also, such commissioned researches are important source of feedback and monitoring of major government programmes, projects and schemes. The second type of researches are the ones that are initiated by the concerned faculty depending upon their area of specialization. Such research studies are funded by the Institute from its own budgetary resources. The institute, as per its slated objectives, also promotes research by sponsoring projects to various research institutions in the country. Institute also collaborates on research projects involving researchers from different research institutes.

During the year, 13 research studies were completed, while as many as 13 research studies were in progress/sanctioned.

Consultancy and Professional Support

Consultancy and professional support is an integral part of the charter of NIEPA. NIEPA is intensely involved in educational policy making, planning,

implementation and evaluating various schemes and programmes of the Ministry of Human Resource Development, Planning Commission, University Grants Commission and various other national bodies. NIEPA offers its professional support at all levels of education. It also extends its support to the state governments and state level organizations like SCERTs, SIEMATs, State Councils of Higher Education, etc. Besides this national and state level support, NIEPA also provides consultancy and professional support to international organizations like UNESCO, World Bank, SIDA and other agencies.

In recognition of the expertise of its faculty, a number of faculty members are consulted by various international agencies in international settings. A new ground was broken when NIEPA was called upon to provide professional support to a project on decentralized planning in the neighbouring country, NEPAL, under an internationally funded project.

Dissemination

Publications

The primary mode of dissemination of NIEPA's research and conceptual knowledge is through publications. It has generated, over the years, a very strong publication programme with several major components.

It publishes the NIEPA Newsletter, and the ANTRIEP Newsletter, since NIEPA functions as focal point of the Asian Network of Training and Research Institutions in Educational Planning.

NIEPA brings out a professional periodical, the "Journal of Educational Planning and Administration". This is in English. The high quality of the journal fetches nearly 60 international journals on exchange basis. *Pariprekshya* is NIEPA's Hindi journal.

There are two occasional publications. 'Occasional Papers', as it is called, are contributed by the faculty members. The second occasional publication is 'Best Practices in Education', a documentation of educational innovations in practice.

NIEPA also publishes its research reports, conference proceedings, and scholarly work of the faculty. It has, recently, ventured into publishing scholarly works and research reports itself as priced publications. It has also collaborated with private publishers for publication and dissemination on behalf of NIEPA.

During the period under review, 14 books and seven issues of Journals – five of the English Journal, two of the Hindi Journal *Pariprekshya*, and two issues each of the ANTRIEP Newsletter and the NIEPA Newsletter were brought out.

During this period the Institute also brought out Training Calendar, Announcements of IDEPA and DEPA Programmes, etc. Besides these, several mimeographed and research papers were also brought out.

Academic and Supporting Units

The academic programmes of the Institute are conducted by nine Academic Units. A brief account of these academic and the supporting units is given below:

Academic Units

Educational Planning Unit: With the shift of emphasis from centralised to decentralised planning, the main effort of the unit is on integration of inputs, processes and products of planning at institutional, district, state and national levels. With the onset of liberalisation of the economy, the focus has also shifted to strategic, indicative rather than comprehensive planning in conventional sense. The Unit conducts training programmes, and undertakes research in these areas and also provides consultation to various bodies.

Educational Administration Unit: The focus of the Unit is on training and research in educational management. It conducts programmes for both institutional heads and area level officers. In view of the task of capacity building of massive number of institutions, this Unit has designed an innovative, multi-channelled distance learning system involving interactive television.

Educational Finance Unit: This thematic Unit focuses its activities on crucial issues of policy, planning techniques and management of financing of education, viz., mobilisation of governmental and private resources, allocation of resources and utilization of resources in primary, secondary and in higher and technical education, in formal and non-formal forms of education, and in literacy and adult education. Public financing of education, and internal and external efficiency of investment in education, are the other serious concerns for research and training.

Educational Policy Unit: This thematic Unit focuses its activities on crucial items of educational policy, planning, implementation, review, monitoring and evaluation at all levels, viz., school, formal, non-formal, higher, adult and distance education at centre, state and institution levels. It works as national support system in policy formulation, its implementation, review and analysis. The Unit also works for capacity building of policy makers, planners, administrators and implementers through training, research, and consultancy in addition to conducting of seminars, workshops and discussion meets in the crucial areas of doctoral research, rotational headship, self-financing courses, deemed university, human rights, women studies, etc.

School and Non-formal Education Unit: The prime focus of the Unit is on the crucial issues of school education, non-formal education, adult literacy and inclusive education providing strong empirical base in order to contribute more meaningful inputs for developing and improving education. The six-month Diploma Course in Educational Planning and Administration, a regular

contribution of this unit is one of the most prestigious training programmes of the Institute. The Unit maintains close linkages with government, non-government and international agencies with the objective of restructuring educational system at sub-national, national and international levels.

Higher Education Unit: The Unit works for:

- a) Generation and dissemination of knowledge/information in planning and management of higher education;
- b) Developing the planning and management competencies among key personnel in higher education through training programmes and workshops for college principals and senior university and state officials;
- c) Providing technical and professional consultancy to policy, planning and implementing organisations and institutions of higher education.

Sub-national Systems Unit: The major focus of the Unit is on strengthening the capabilities of state and district level planners and administrators, in decentralised and local level planning, capacity building of the faculty of District Institutes of Education and Training (DIETs) and State Institute of Educational Management and Training (SIEMAT). Research based interventions in the DPEP programmes and evaluative studies of Centrally Sponsored Schemes are other major areas of research of the Unit.

International Unit: The Unit provides the international interface of NIEPA. The six-month International Diploma in Educational Planning and Administration (IDEPA) for senior educational policy makers, planners and administrators is the flagship programme of the Institute. Fifty-one developing countries have benefited from the programme. In addition, the Unit offers, on demand, tailor-made country specific programmes on educational planning and management. Comparative research on educational planning and management is another unique feature of this Unit. This Unit, on behalf of NIEPA, brings out a biannual Newsletter of the Asian Network of Training and Research Institutions in Educational Planning (ANTRIEP) – for dissemination of information on research and innovation in educational planning and administration among member institutions.

Operations Research and Systems Management (ORSM) Unit: The Unit deals with system level management issues, including logistics management, information systems, control systems, computer applications, operations research in education, project formulation and monitoring and implementation decision support systems, etc. Special focus is on capacity building in computer applications among state and district level staff in the design, development and implementation of information systems. The Unit also provides technical and professional support for EMIS for the District Primary Education Project.

Library and Documentation Centre: NIEPA houses a specialist library on educational planning and management with a collection of about 60,000 books

Conference on 'Globalisation and Challenges for Education'

A View of NIEPA Library

Participants of the International Diploma Programme

Kavi Goshthi organized by NIEPA

and receives more than 350 Indian and foreign journals and academic periodicals regularly. Totally computerised and networked, the library provides referencing services through Internet, ERIC and DELNET based virtual library mode. On educational planning and administration, the library is a treasure house.

The Documentation Centre offers a unique collection of official reports, documents and other publications of the Central and State Governments, such as state gazetteers, state census reports, world handbooks, educational surveys, five-year plans, etc. For current documents on education, there is no better choice.

Publication Unit: NIEPA has a modest publishing programme for dissemination of research and developments in education in the form of occasional papers, journals, newsletters, books and reports. Some of the important periodical publications are: Journal of Educational Planning and Administration, *Pariprekshya*, ANTRIEP Newsletter, and NIEPA Newsletter. It has published several research and seminar/conference reports in the form of books. The Institute is bringing out a series of reports of survey on educational administration in various States and UTs.

Electronic Data Processing (EDP) Unit: The Unit backs up the information technology needs of the Institute. NIEPA leads in using information technology in day to day activities – academic and non-academic. Every faculty member, every administrative and finance unit as well as the library have the latest computing facilities with internet and e-mail services for the faculty members. The Unit contributes computer awareness and appreciation module in various training programmes.

Hindi Cell: The cell offers academic support to research, training and dissemination through rendering in Hindi professional literature on educational planning and management. The cell also helps in implementing the official language policy.

Cartography Cell: The cell provides computerized mapping and other cartographic services for research and dissemination by developing innovative presentations of data and information through maps, graphs, display charts, tables and transparencies.

Administration

Administration

The administrative set up includes general, academic and personnel administration. As on 31.3.2002, the Institute had a total sanctioned strength of 181 staff members, both academic and administrative, besides 27 project staff appointed for the duration of the respective projects.

Finance

During the year the Institute received a grant of Rs. 430.00 lakhs (Rs. 210.00 lakhs under Non-Plan and Rs. 220.00 lakhs under Plan). The Institute had an opening balance of Rs. 0.085 lakhs both under Plan and Non-Plan. The internal office and hostel receipts amounted to Rs. 69.95 lakhs during the year. The expenditure during the year under Non-Plan and Plan amounted to Rs. 490 lakhs.

The Institute had a balance of Rs. 144.36 lakhs and received additional funds amounting to Rs. 144.98 lakhs during the year for the sponsored programmes/studies from other agencies. The expenditure during the year on sponsored programmes/studies amounted to Rs. 149.39 lakhs.

Campus Facilities

The Institute has a four-storied office building, a seven-storied hostel comprising 60 fully furnished rooms with attached baths, and a residential complex having 16 Type I quarters, 8 quarters each of Type II to V and the Director's residence. The Institute has recently acquired 25 expandable houses from DDA at Dwarka and it is proposed to build one more room in the flats shortly. Hostel receipts amounted to Rs. 13.42 lakhs during the year.

Chapter 2

Training

Training is one of the important functions of the Institute. During the year under review, the Institute organized National Diploma, Orientation and Training Programmes, Workshops, Seminars and Conferences etc. for officers of Education Department of States/UTs as well as for university and college administrators engaged in the task of educational planning and administration. The Institute also conducted International Diploma Programme for educational planners and administrators of developing countries.

Approach and Thrust

Training programmes are designed keeping in view the training needs emanating from new developments in the field. Training needs identified by the participants and the decision makers are also taken into consideration while designing the programmes. Suggestions and feedback given by participants on earlier occasions are kept in view while organizing the programmes. Task Forces are constituted to discuss details of the programmes.

Apart from above, the priority areas such as planning and management training for school heads, planning and management of secondary education, methodology and techniques of district planning in education under SSA, planning and management of SCERTs/DIETs, quantitative research methods in education, planning and management of universalisation of elementary education (UEE), role of computer in education, etc, are also kept in view while planning the training calendar of the Institute. Programmes were also conducted for the educational personnel working in DPEP districts.

The Institute continues to play its pivotal role at international level by organising the training programmes, workshops and seminars for educational functionaries from developing countries in collaboration with various international agencies.

NIEPA is gradually shifting its training emphasis towards the training of trainers and networking with state and regional institutions and university departments of education.

Training Material

NIEPA faculty remained actively involved in the preparation of research/training materials for training programmes. These training materials serve as background papers given to the participants during the programmes. These materials are supplemented by published literature on the subject concerned.

Evaluation

Every training programme is formally evaluated. The first stage is at the end of each training programme where every participant is asked to evaluate the training programme on a structured proforma. In programmes of longer duration, the evaluation is also preceded by one or two mid-term evaluations.

Participation

During the year 2001-2002, the Institute organized 53 Diploma Courses, Orientation/ Training Programmes, Workshops, Seminars, Conferences and Meetings etc. at national and international levels. A total of 1560 participants participated in these programmes. Out of these 1452 were national participants and 108 from abroad and international agencies. The list of programmes organized during the period is given in Annexure I.

Programmes organized during the year fall in two categories: (a) Diploma Programmes, and (b) Thematic and General Programmes in Educational Planning and Management and theme based short-term programmes at national level. The category-wise programmes are given in Table I.

TABLE I

* *Educationally backward states.*

CATEGORY-WISE PROGRAMMES

INDIA REGIONAL AND STATE PARTICIPATION 2001-2002

About 35.39 per cent of the participants belonged to the ten educationally backward states, namely Andhra Pradesh (128), Arunachal Pradesh (6), Assam (101), Bihar (24 including Jharkhand), Jammu and Kashmir (19), Madhya Pradesh (20 including Chhattisgarh), Orissa (17), Rajasthan (18), Uttar Pradesh (155 including Uttaranchal) and West Bengal (26).

Type and Level of Participation

The participants of various programmes constituted a mixed group in terms of their levels. These include senior level functionaries from Directorates of Education, SCERTs, DIETs/SIEMATs, regional and district level functionaries, DPEP states as well as institutional heads like school principals, school/district level librarians from the states and union territories. Similarly, College Principals and Senior Administrators from Universities also took part in the area of higher education. Details of the participants in terms of types and levels may be seen from Table III.

Others	298
Total	1452

International Level

During the year the Institute organized two Diploma Programmes, including one on-going and one for senior educationists from Sri Lanka. In these programmes, 95 officers from developing countries and other countries participated. In addition to above, 11 participants from International Agencies and one officer from Australian High Commission in New Delhi also participated in the various National Programmes by the Institute. The country-wise list of participants may be seen from Table IV.

Programmes by Areas and Themes

During the year, the Institute organized 4 diploma programmes – 2 each national and international (which includes 2 on-going – one national and one international), 20 training orientation programmes, 14 workshops, 5 seminars, 1 conference and 9 meetings.

National Diploma Programme in Educational Planning and Administration (DEPA)

The Institute completed the second and third phases of twenty-first diploma programme during the year 2000-2001, the first phase of which had commenced from November 1, 2000 and second and third phases of the same programme were conducted between February 1 to April 30, 2001 and July 17-21, 2001 respectively. The twenty-second diploma programme commenced during November 2001. The programme had three components: (i) 3 months intensive curricular work at NIEPA from November 1, 2001 to January 31, 2002; (ii) three months of project work undertaken by the participants in the districts of their posting from February 1st to April 31, 2002; and (iii) finally five days workshop based on the project reports held at NIEPA from July 15-19, 2002. The programme was based on lectures, discussion, panel discussion, case studies, simulation exercise, role play, and in basket method and group discussion on the various themes listed for discussion. Also sufficient time was devoted to practical exercises, library-based assignments, field visits to some important educational institutions. Besides this, each trainee was given on the job training, which included supervised project work at the place of work of DEO for a period of three months. They were also required to submit a summary based on their project report not exceeding fifteen typed sheets. The participants who failed to complete their project report by the stipulated time will not be invited to attend the third phase.

The course curriculum provided for mid-term evaluation of the programme by the participants. In addition to this, a comprehensive evaluation of the programme was conducted at the end at the first phase. The participants felt that objectives of the programme were fully realized. Some suggestions were also given towards the sequencing of courses, infrastructure facilities etc.

As a part of the curricular work the state field visit to Gujarat was organized for the trainees to familiarize them with the educational innovations and activities being carried out in the state. During their visit to Gujarat, the participants visited many educational institutions, such as DIET, Gandhi Nagar, many urban primary schools of Gandhi Nagar, areas of Surendra Nagar District which was devastated due to earth-quake, and observed the damaged school buildings in different villages in the district. They visited historical place of Sabarmati Ashram from where Gandhiji launched his crusade against the British, DIET Ahemdabad Centre for Environmental Education (CEE), Gujarat Council for Educational Research & Training (GCERT), Ravi Mathai Centre of the Indian Institute of Management (IIM), Ahemdabad, Khera District Milk Producers Union Ltd., Wouchi Village School, Rajpipla, Sadhubhai Puruni Physical Education College and Centre for Advanced Studies in Education (CASE) of M.S. University Baroda. Apart from above, the trainees also visited Kotputli Block of Rajasthan. The party had a chance to visit the local institutions, like CIET, NCERT and some schools run by DEEPALAYA society.

Both the programmes were attended by 46 participants. State-wise participation is given in Table V.

International Diploma Programme in Educational Planning and Administration (IDEPA)

NIEPA has been organizing six-month International Diploma Programme in Educational Planning and Administration (IDEPA) for educational planners from developing countries every year since 1985. The Seventeenth IDEPA Programme had commenced in February 1, 2001 and was completed on July 31, 2001. The Eighteenth Diploma Programme had commenced on February 1, 2002. The course structure consists of two components: (i) Phase I, three months intensive curricular work at NIEPA, and (ii) three months field research project in the home country, through his/her own efforts. The methodology of the programme seeks to strike a balance between theory and practice. Broadly, it includes lecture discussions, simulation and practical exercises, role plays, case discussion, management games, search conferences, demonstration, group discussions. Panel discussions and participants seminars for encouraging them are special features of the course methodology.

The programme also lays emphasis on academic exercise at micro-level, educational cultural field visits, field educational attachments and enrichment lectures. Educational field attachments constitute a major component of exercise of the IDEPA participants at the micro level in addition to other major areas which encompass the whole programme. This year the educational field attachments involved visits to and attachments with supra level institutions in and around Delhi and outside Delhi. This year, educational attachments involved visits and attachment with institutions in the states of Maharashtra and Rajasthan. For each such visit a nominated trainee/field advisor gave a report on the educational visit to particular institutions. The participants visited various educational departments and other educational institutions of Maharashtra and Rajasthan.

Both these programmes were attended by 47 educational planners from developing countries. The country-wise participation in the seventeenth and eighteenth IDEPA Programmes may be seen in Table VI.

Planning and Management of Training for School Heads

NIEPA organised three training programmes, one workshop and one meeting in the field of Planning and Management of Training of School Heads. These programmes were attended by 235 heads of institutions and other officers.

Planning and Management of Higher Education

NIEPA has organized one training programme, two workshops, two seminars, one conference and six national level meetings in the area of Planning and

Management of Higher Education. These programmes were attended by 487 experts in the area of higher education.

School Mapping and Micro Planning

NIEPA organised two training programmes in school mapping and micro planning during the period under review. The programmes were attended by 91 educational personnel at central, state and district levels.

Planning and Management of Educational Finance

In the area of Planning and Management of Educational Finance, NIEPA organized two training programmes and one workshop. These programmes were attended by 74 participants.

Planning and Management of District Institutes of Education and Training (DIETs) /State Councils of Educational Research and Training (SCERTs).

Two training programmes and one meeting on Planning and Management of District Institute of Education and Training (DIET)/State Council of Educational Research and Training (SCERTs) were organized for the officers working in DIETs and SCERTs. These programmes were attended by 60 participants.

Quantitative Research Methods in Education

Two training programmes in the field of Quantitative Research Methods in Education were organized. 23 participants attended the aforesaid training programmes.

Planning and Management of School and District Institute of Education and Training Libraries

NIEPA has organized two orientation programmes in the field of Planning and Management School and District Institute of Education and Training (DIET Librarians). The programmes were attended by 54 librarians from Uttaranchal.

DISE/EMIS/DPEP Programmes

One training programme and seven workshops in the field of DISE/EMIS/DPEP Programmes were organized during the year and 126 participants attended these programmes.

International Programme Other than IDEPA

NIEPA has organized one training programme on training modules on Early Childhood Education Policy and Planning in the Training Programme on ECCE for officials of Government of Bhutan, one training programme on Management

and Supervision of Schools for educational officers and principals of Senior Secondary Schools of Sri Lanka, one UNESCO sub-regional orientation cum workshop on Planning and Monitoring of EFA in South Asia in collaboration with IIEP and UNESCO, Paris and one consultation Meeting on Professional Networking for Basic Education in collaboration with the Institute of Commonwealth Studies at international level. These programmes were attended by 72 officers from India and abroad.

Other Programmes

NIEPA has also organized seven programmes in various other areas, such as Planning and Management of Inclusive Education; Identification of Areas for Orientation of Educational Administrators; Training Programme on Project Planning and Monitoring Systems; Seminar on Progress of Literacy in India: Census-2001; Workshop on Policy of Decentralization and Its Impacts; National Seminar on Governance of School Education in India; National Seminar on Para Teachers in Primary Education – Review and Experiences; Training Programme on Using Indicators in Planning of Elementary Education. These programmes were attended by 245 experts at Central, State, District levels, Universities personnel and representative of NGOs.

Chapter 3

Research

NIEPA is actively engaged in conducting, aiding, promoting and coordinating research in various spheres of educational planning and administration. The focus of the research is multi-disciplinary with the main thrust on techniques and processes of educational planning and administration.

NIEPA promotes research through funding research projects of faculty; accepting research projects from other agencies; and providing financial assistance to experts and institutions for undertaking research in identified priority areas.

The research undertaken and supported by NIEPA synthesizes theoretical and empirical issues. Research activities of the Institute constantly endeavour to provide sound empirical and analytical base for policy and plan formulations. They also provide significant inputs for various training programmes.

Studies Completed

1. "Legal Management of Secondary Education in India" by Prof. B.P. Khandelwal.
2. "Provisions of the Grant-in-Aid in Education Acts of the States and Performance of Schools – Exploring Action Strategy for Quality Improvement at Secondary Stages" by Dr. (Mrs.) Sudesh Mukhopadhyay
3. UNESCO, Paris supported "Feasibility Study to Explore the Relevance and Applicability of an Existing Methodological Package to Map and Measure NFE at District Level" by Dr. Y.P. Aggarwal
4. UNESCO-sponsored Study on "Updating the Common UN Database for India" by Dr. A.C. Mehta

5. Financing Secondary Education – “Grants-in-Aid Policy – A Study in Nine States” coordinated by Dr. J.B.G. Tilak
6. “Managing the Teachers: Issues and Challenges – A Comparative Study of Karnataka and Madhya Pradesh” by Dr. B.K. Panda
7. UNICEF-sponsored Study on District Information System for Education (Phase-III) – Action Plan for 2001-2002 by Dr. Y.P. Aggarwal.
8. UNICEF-sponsored Study on “Strengthening of EMIS on Elementary Education in India” by Dr. Y.P. Aggarwal
9. IIEP Paris sponsored Study on “Primary Education for All in the City of Mumbai: The Challenge set by Local Actors” by Dr. (Mrs.) Nalini Juneja
10. Preparation of a “Handbook on Building National Capacities for Quality Improvement of Primary Schools” by Dr. (Mrs.) Sudesh Mukhopadhyay (Sponsored by UNESCO)
11. “Content Analysis of Training Modules for Village Education Committees: A Study of Seven DPEP States” by Dr. (Mrs.) Pramila Menon
12. A Diagnostic Study on “Educational Planning and Management Function of Basic Shiksha Adhikaris (BSAs) and Principals of District Institutes of Education and Training (DIETs) in Uttaranchal State” by Dr. R.S. Tyagi
13. A Study on “Strategies for Achieving UEE in the Metropolitan Cities of Indore and Nagpur” by Dr. (Mrs.) Nalini Juneja
14. A Study on “Planning and Management of Secondary Education – An Exploratory Project on Need Assessment” by Dr. (Mrs.) Sudesh Mukhopadhyay

Studies in Progress/Sanctioned

1. IIEP-NIEPA Study on “Secondary Education in India: Analysis of Delivery Mechanism and Functioning of Secondary Schools” by Dr. (Ms.) K. Sujatha, Senior Fellow
2. “Government Initiatives and Role and Contribution of NGOs to Inclusive Education in India” by Dr. (Mrs.) Sudesh Mukhopadhyay, Senior Fellow.
3. “Some Psychological Dimensions of Education of Tharu Children” by Dr. R.C. Mishra, Department of Psychology, Banaras Hindu University.

Chapter 4

Publications

NIEPA has a modest publishing programme for dissemination of research and developments in education in the form of occasional papers, journals, newsletters, books and reports. Some of the important periodical publications are: Journal of Educational Planning and Administration in English, *Pariprekshya* in Hindi and ANTRIEP Newsletter. The Institute also published several research and seminar/conference reports in the form of books. The Institute is also bringing out a series of books on Best Practices in Higher Education. It is also bringing out a series of reports of survey on educational administration in various States and Union Territories.

DTP Facility

To carry out various in-house DTP jobs, the Publication Unit is well equipped with latest computers and printers.

During the period under review, the Institute brought out the following publications:

NIEPA Newsletter

Two issues of NIEPA Newsletter were brought out during the year, i.e. April-June, 2001 and July-September, 2001.

ANTRIEP Newsletter

Two issues of ANTRIEP (Asian Network of Training and Research Institutions in Educational Planning) Newsletter were brought out during the year, i.e. January-June, 2001 and July-December, 2001.

JEPA

The Institute regularly publishes the *Journal of Educational Planning and Administration*. During the period, the following five issues of the Journal were brought out:

Journal of Educational Planning and Administration (Priced): Volume XIV No. 4, October, 2000; Volume XV No.1, January 2001, Volume XV No 2 April, 2001, Volume XV No. 3, July, 2001 and Volume XV No. 4, October, 2001.

Pariprekshya

The Institute also publishes a Hindi Journal *Pariprekshya* and two issues – Vol. VII No. 1&2, April-August 2000 and Vol. VII No. 3, December 2000 of the journal were brought out.

Occasional Papers

This is a series of research papers published by the Institute. During the period under report, two papers entitled – *Education for All in India with Focus on Elementary Education: Current Status, Recent Initiatives and Future Prospects*, and *Financing Higher Education in India in the Post Reform Period: Focus on Access and Equity* were published.

Best Practices

The publication is brought out with a view to identify the successfully implemented practices from different higher/professional education institutions and to collect, collate, and disseminate the said practices to other institutions of higher learning and encourage, promote, and facilitate implementation of these practices to bring in refinements and improvements in the practices already implemented by the institutions. The Institute brought out an issue entitled *Best Practices in Education: Admission Policy and Practice: For Equity, Access and Quality*. Reprint of an earlier title *Best Practices in Education: Integral Education: A Mission to Integrate Values in Education* was also brought out during the year.

In-house Priced Publications

1. *Investment Priorities and Cost Analysis* by N.V. Varghese and Arun C. Mehta
2. *Total Quality Management in Education* by Marmar Mukhopadhyay (Reprint edition)
3. *Shiksha Mein Sampurna Gunvatta Prabandhan* (Hindi Version of TQME) by Marmar Mukhopadhyay

4. *Educational Policies in India: Analysis and Review of Promise and Performance* edited by Sudha Rao.
5. *Governance of School Education in India* edited by Marmar Mukhopadhyay and R.S. Tyagi (Priced)

In-house Un-priced Publications

1. *Value Education: A Selected Bibliography* (No 5 NIEPA Documentation Centre) by Deepak Makol
2. *EFA: Draft Plan of Action – India Country Report* for Sub-Regional Ministers Review Meeting, Kathmandu (Published by NIEPA on behalf of MHRD)
3. *Development since Dakar (EFA): India Country Paper* for E-9, Ministerial Review Meeting at Beijing, China (Published by NIEPA on behalf of MHRD)
4. *Focus Secondary Education: Report of the National Conference* (14-16 February, 2001)
5. *Best Practices in Higher Education: Admission Policy and Practice- For Equity, Access and Quality* edited by K. Sudha Rao
6. *Quality Profiles of Secondary Schools* by Sudesh Mukhopadhyay and Anil Kumar K.
7. *Educational Research in North East India: A Source Material* by Nirmal Malhotra and Pratibha Mittal

Published Through Private Publisher

1. *Educational Administration in West Bengal: Structures, Processes and Future Prospects* by Manju Narula and Srilekha Majumdar.
2. *Educational Administration in Tamil Nadu: Structures, Processes and Future Prospects* by R.S. Tyagi and S. Paramasivam.
3. *Educational Administration in Gujarat: Structures, Processes and Future Prospects* by R. S. Tyagi, Srilekha Majumdar and R.K. Chaudhary.
4. *Educational Administration in Maharashtra: Structures, Processes and Future Prospects.*

Each book in the series is based on an analysis of not only information collected from primary sources in the state/union territory but also the latest data from secondary sources. It gives the present status of educational administration, right from the institution to the state/union territory level with focus primarily on administration of school education.

The books brought out under the series provide a critical analysis of various functions of educational planning and administration with suggestions for future development of the administrative system, outlining the tasks ahead for educational planners and administrators.

These books provide useful reference material for researchers, educationists, educational planners and administrators as well as all those interested in the development of education.

In Press

1. *Enhancing the Academic Role of Boards of School Education*—edited by Sudesh Mukhopadhyay
2. *Secondary Education: Challenges Ahead* edited by Marmar Mukhopadhyay and Manju Narula (Priced)
3. *Journal of Educational Planning and Administration*, Volume XVI No.1, January 2002 (Priced)
4. *Pariprekshya* (Hindi Journal): Vol. VIII No.1&2, April-August 2001
5. *Best Practices in Higher Education – Choice Based Credit System*
6. *School Mapping: An Analysis of Education Facilities in Dhenkenal District, Orissa* by N.V. Varghese and K. Biswal (Priced)
7. *DISE 2001: A User's Manual*

Mimeographed Publications

Besides these, the Institute also brought out series of mimeographed/xeroxed publications in respect of various research studies, occasional papers, and reports/reading materials of various training programmes/seminars conducted by the Institute during the period under review.

Chapter 5

Library/Documentation Centre and Academic Support System

Library/Documentation Centre

THE Institute maintains a well-stocked Library/Documentation Centre in educational planning, administration and inter- disciplinary subjects. It may claim to be one of the richest libraries in the field of educational planning and management in the Asian Region. It not only serves the faculty, research scholars and participants of the various programmes but also other organisations through the inter-library loan system. The Library reading room facilities are open to all.

During the period under review, 1001 books and documents were added to the Library/Documentation Centre. The Library/Documentation Centre presently has a collection of 55,016 books besides a rich collection of reports of International Seminars and Conferences organised by International Agencies like UNO, UNESCO, OECD, ILO, UNICEF, World Bank, etc.

Journals

The Library/Documentation Centre receives 347 journals in educational planning, administration, management and other allied fields. All the important articles appearing in these journals are indexed. 1989 articles were indexed from these journals during the period under review.

Newspaper Clippings

Apart from books and journals, the Library/Documentation Centre also maintains a special collection of Newspaper Clippings related to educational planning and administration for 25 newspapers.

Current Awareness Service

Periodicals on Education: Titles Received and Their Contents: To provide the readers a current awareness service about the contents of the journals on education received during the fortnight, the Library continued its fortnightly mimeographed publication "*Periodicals on Education: Titles Received and Their Contents*".

Library/Documentation Centre Acquisitions

Computerized monthly lists of additions to the Library/Documentation Centre were also prepared for updating the readers about documents and articles of interest and new arrivals.

Selective Dissemination of Information

The Library channeled new items of information from various sources to Institute's Academic Units and Research Project Teams where they could usefully serve their period.

Bibliography

The Library prepared 200 bibliographies for the various activities undertaken by the Institute during this period.

Periodicals Holdings

During the period under review, Library prepared holding of the bound journals for the reference of information of users.

Non-Print Material

The Library is a multi-media resource centre. It has video cassettes, audio-cassettes, films, micro films and microfiches. The present stock consists of 6 films, 76 video cassettes, 84 audio cassettes, 54 micro films and 110 microfiches.

CD-ROM Databases

1. ERIC 1985- June 2001.
2. UNESCO: World Data On Education 1998, 2nd ed.
3. Fifty Years of Indian Education by Ministry of HRD
4. Innovative Data
5. Education at a Glance 1999
6. Global Development Finance 2000
7. Census of India 1991
8. World Development Indicators 2000

9. United Nations Statistical Yearbook (Thirty-ninth issue)
10. Women Indicators and Statistics Database, Version 3
11. World Development Report 1978-1999/2000
12. Chinese Universities and Colleges
13. City & Guilds Protect CD
14. For the Love of Learning
15. DISE 2001
16. PC Quest CD's
17. Chip CD's
18. Data Quest CD's

Library Website

<http://niepalib.freevellow.com>. It has updated information about:

1. NIEPA
2. Library/Documentation Centre
3. Indian Education: Classified Information of Books and Documents on Indian Education.
4. NIEPA Research Studies
5. Education File: News on Indian Education from 25 Newspapers
6. Search of Month: Information on Different Topics of Indian Education.
7. Journal of Educational Planning and Administration: Abstracts of Articles (NIEPA Journal).
8. District Primary Education Programme (DPEP): Information About the Documents Generated at Centre and State Level.
9. New Additions: Books and Articles indexed from the journals received in the Library.

Library Networking

In 1995, NIEPA Library/Documentation Centre joined Delhi Library Networking (DELNET). This has given facility of:

(a) On-line Access

To union catalogues of 246 libraries and these 246 libraries also have on-line access to NIEPA library holdings.

(b) *E-mail Service*

- Connectivity with 246 Institutions in Delhi
- Connectivity through RENNIC to other parts of our country
- Connectivity through RENNIC to INTERNET

With this facility NIEPA faculty can meet the information needs of users in less time.

Local Area Network (LAN)

Faculty is provided on-line access to new additions in library, education file and information of national and international conferences.

Training Programmes

Orientation Programme in Planning and Management of DIET Libraries of Himachal Pradesh and Punjab from June 19-24, 2000. Thirteen participants attended the programme.

Orientation Programme in Planning and Management of School Libraries of Andaman and Nicobar from 8-20 January 2001. Forty-seven participants attended the programme.

Documentation Centre

In order to provide an effective information base for the programmes of the Institute, particularly those geared to the needs of the States and Union Territories, the Documentation Centre of the library collects reference material on Educational Planning and Administration published by the Centre, States/UTs, Education Departments, district authorities and educational institutions. The main thrust of the Centre is on collection, storage and dissemination of information so as to enable the Institute to perform its function as clearing house of information.

During the year, 402 documents were added to the Centre. Presently, the Centre has 21,430 documents consisting of state gazetteers, state census handbooks, educational surveys, state educational plans, five year plans, budgets, state university handbooks, basic source books and bibliographies, press clippings, state educational codes, acts, rules and regulations, techno-economic and sample surveys, district gazetteers, district census handbooks, annual plans, educational plans, district credit plans, district sample surveys, district educational surveys, district statistical handbooks, village and block level plans and studies, research and projects reports, resource inventory studies, techno-economic surveys, District Primary Education Programme (DPEP) plans.

The Documentation Centre has also updated the following nine collections which are NIEPA's own contribution.

1. NIEPA Training Programme Reports: 1962 to March 2001
2. Subject-Wise Dissertations: Diploma in Educational Planning and Administration (DEPA) 1982 - 2001
3. Subject-Wise list of NIEPA Research Studies: 2002.
4. Subject-Wise list of Dissertations: International Diploma in Educational Planning and Administration (IDEPA) 1980 - 2000.
5. District Primary Education Project (DPEP), March 2001: A Bibliography
6. Subject-Wise list of University Theses
7. Education File: Special Issue on Curriculum Reforms
8. Education File: Special Issue on Right to Education
9. Education File: Special Issue on WTO

The Centre subscribes to 25 national and regional newspapers for the use of readers and a monthly Education News, India and the State from national and regional newspapers is compiled and kept in the Documentation Centre for use.

The Documentation Centre can be said to be a unique one for reference only, and it is not only effectively used by NIEPA faculty, research staff and trainees but also widely used by the research scholars from national and international educational institutions. During this year, 1495 scholars have used the services of the Centre.

Cartography Cell

The Cartography Cell has been continuously developing new methods of presentation of data and information by means of maps, graphs, display charts, certificates and tables for various publications. It also provides computer graphic facilities for different types of projects and programmes.

The Cell also contributed various illustrations in publications as well as journals such as JEPA, *Pariprekshya*, Annual Report, and Reports on Educational Administration of various states.

Hindi Cell

The Hindi Cell provides translation facilities and academic support in research, training and administration. The Cell not only helps in bringing out the various publications in Hindi but also helps in implementing the Official Language Policy.

The Hindi Cell of the Institute has dealt with several major works apart from the routine work during the year under review:

- (a) Meetings of the Official Language Implementation Committee of the Institute were organised to review the activities of Hindi Implementation.
- (b) Two issues of Hindi Journal *Pariprekshya*
- (c) The following titles were translated into Hindi and prepared for publication:
 - (i) Annual Report: 2000-2001
 - (ii) Training Calendar: 2001-2002
- (d) Hindi Day Celebration: To commemorate Rajbhasha Swarn Jayanti celebration, various programmes were organized. Hindi competitions, such as essay writing, noting and drafting, translations and typing were organised. Hindi Sulekh competition was also organised for Group D employees.

A five-day Hindi Workshop was organised during September 17-21, 2001 in which 26 officers and employees of the Institute were trained to work in Hindi.

- (e) Translation of the Report of Governance of School Education in India was completed.
- (f) Two issues of NIEPA Newsletter were translated into Hindi and published.

Chapter 6

Information Technology Support

The Computer Centre backs up the information technology needs of the Institute. It provides computing facilities and Internet services to all the trainees and staff members. Network points have been provided to all the faculty and staff members to access the Network Resources. Individual Email accounts have been provided to all the faculty and staff members on NIEPA Domain. Dial-Up access is provided to Director, Joint Director, and other senior faculty members. The Institute has a 128 kbps ISDN line providing Internet and E-mail facilities. Desktop computers have been provided to all the faculty and staff members. Computer Centre facilities are available non-interrupted for almost 12 hours.

Computer Training Lab

NIEPA uses information technology extensively in its day-to-day activities both academic and non-academic. The Computer Centre is well equipped with various types of computers and printers. Local Area Network with Windows NT operating system is operational providing connectivity to almost all the rooms of the Institute.

Activities

Support is provided to the Academic Units by training, research, quantitative data analysis, system level management issues and other activities. Support is also provided to the non-academic units of the Institute like – Library, Administration, and Finance sections. Besides catering to in-house data processing and word processing needs of the Institute, computer awareness and appreciation modules and other specialized computer services are contributed for various training activities/ programmes.

Services

Major services offered by the Computer Centre are to provide better computational and network services extending data analysis, network sharing,

Internet and E-mail services to all the faculty, staff and training participants of NIEPA. For providing these services, a collection of advanced software packages suitable for quantitative data analysis, project management and other activities is available with the Centre. The computer center is exclusively meant for the trainee participants of the Institute and is open 12 hours on all weekdays.

Computer infrastructure includes the following:

- IBM E Series Server
- Pentium II 266 MHz with 128 MB RAM Compaq Server
- More than 50 nodes with Pentium II 266 MHz, 32 MB RAM, 3.51 GB HDD, color monitor.

The following software packages are available for Office Automation purpose:

- SPSS 10
- MS Office2000
- MS FrontPage
- MS Project 2002
- ADOBE Photo Deluxe
- ABBYY Fine Reader

Shared Resources

Computer Center provides the following facilities through its shared resources. The available resources are:

- HP 4000N Laser Printer (B/W)
- HP LaserJet 4MP
- HP Laser Jet 5P
- HP Office Jet R65
- UMAX Power Look – II Image & Text Scanner
- HP 8200 CD Writer

Facilities

The Centre is equipped with the state-of-the-art computing facilities, which include IBM E-Series Server and Compaq Pentium - II Server connected over a fast Ethernet.

The present infrastructure consists of:

- Enhanced CAT 5 UTP cabling
- Centralized computing facility consisting of high performance servers and client PCs
- Uplink to Internet and other services
- Diesel Generator
- 10 KVA UPS (2 Hour Backup)
- Print Servers

Chapter 7

Organisation, Administration and Finance

Organisational Setup

NIEPA is an autonomous body registered under the Societies Registration Act and receives grant-in-aid from the Government of India, Ministry of Human Resource Development. It has a Council, an Executive Committee, a Finance Committee and a Planning and Programme Committee as the main authorities of the Institute. The Director of the Institute is the Principal Executive Officer and is appointed by the Government of India. He is assisted by the Joint Director. The Registrar is the Head of the Office and overall in-charge of administration.

The Council

The Council is the apex body of the Institute headed by the President, who is nominated by the Government of India. The Director of NIEPA is its Vice-President. The Council comprises executives of national and sub-national systems of education and eminent educationists consisting of Chairman, University Grants Commission; four Secretaries of the Government of India (Education, Finance, Personnel and Planning Commission); Director, National Council of Educational Research and Training, six Education Secretaries and six Directors of Education from States and Union Territories, six eminent educationists; all the members of the Executive Committee; and three members of the NIEPA Faculty. Registrar, NIEPA acts as Secretary of the Council.

The main function of the Council is to further the objectives of the Institute and exercise general supervision over the affairs of the Institute.

A list of the members of the Council as on 31st March 2002 is given at Appendix I.

The Executive Committee

The Director of the Institute is the *ex-officio* Chairman of the Executive Committee. It comprises nominees of the Secretaries, Ministry of Human Resource Development (Department of Education), Finance and Planning Commission; one Education Secretary of a State; one eminent educationist; one Director of State Government and one Director of State Institute of Education engaged actively in educational planning and management; the Joint Director, NIEPA and two of the three members of the faculty on the NIEPA Council as members of the Executive Committee. Registrar, NIEPA acts as Secretary of the Executive Committee.

The Executive Committee is responsible for the management of affairs and funds of the Institute and has the authority to exercise all powers of the Council. A list of the members of the Executive Committee as on 31st March 2002 is given at Appendix II.

The Finance Committee

The Finance Committee is constituted by the President, NIEPA Council. It consists of five members under the *ex-officio* Chairmanship of the Director of the Institute. It includes Financial Adviser, and other such members of the Council, as may be nominated by the President. Registrar, NIEPA acts as Secretary of the Finance Committee.

The Finance Committee scrutinizes the accounts and budget estimates and makes recommendations on proposals for new expenditure and other financial matters. A list of the members of the Finance Committee as on 31st March 2002 is given at Appendix III.

The Planning and Programme Committee

The Planning and Programme Committee (PPC) consists of the Director as *ex-officio* Chairman, Joint Director, Heads of Academic Units, NIEPA; one representative each of the Ministry of Human Resource Development (Department of Education), Planning Commission, University Grants Commission; one Vice-Chancellor of a University (to be nominated by the President); two Education Secretaries and two Directors of Education of State Governments (to be nominated by the Government of India); six educationists/social scientists/management experts (of whom two are involved in Women's/Girls' education; one in education of SC/ST and one in education of Minorities) to be nominated by the President. A list of the Members of the PPC as on 31st March 2002 is given at Appendix IV.

The PPC is expected to approve, finalize and review the various programmes of the Institute and develop long-term and short-term academic perspectives and plans for the Institute; consolidate annually the research, training, dissemination and advisory programmes planned by the faculty, study them and identify gaps and thrust areas.

The Faculty Council

Consequent upon the recommendations of the Review Committee and thereupon the decision of the Empowered Committee on NIEPA, the Faculty Council of NIEPA was constituted with the Director as its Chairman, Joint Director as Vice Chairman, and all Senior Fellows, Fellows, Associate Fellows and Librarian as its members. Registrar will act as Member Secretary. Main functions of this Council would be that the Director would brief the faculty about his transactions with various client groups, their thinking, feedback, expectations, change in the environment, etc.; discuss faculty workload and norms; review programmes, projects, experiences and suggestions and learning for future; recapitulate major events in the Institute and information of future events: to make presentations by faculty on their project experiences, trips abroad, research, etc.; to discuss mechanism of improving ability, relevance, material development, etc.; to present annual work plans by various groups; to identify support needs, difficulties and decisions to overcome problems; to appoint sub-committee/task force, etc. to look into the specific management aspects of the Institute; to suggest for undertaking major activities/programmes by the faculty of the Institute; and, to give feedback to NIEPA Council, Executive Committee and Academic Committee.

Academic Units

The faculty of the Institute is organised into nine academic units, namely: Educational Planning, Educational Administration, Educational Finance, Educational Policy, School and Non-Formal Education, Higher Education, Sub-National Systems, International and Operations Research and Systems Management. Approach and academic thrusts of these Units have already been given in Chapter I.

The academic units are headed by Senior Fellows except the Educational Planning and Sub-National Systems Units.

The academic units function with full responsibility for the development and execution of various training and research programmes and provide consultancy and advisory services in the areas entrusted to them.

Task Forces and Committees

Special Task Forces and Committees are constituted by the Director from time to time for specific programmes.

The Project Advisory Committees consisting of experts are constituted to advise and monitor the progress of various research projects.

An Advisory Board of Research Studies under the Chairmanship of Director and consisting of, among others, all the Heads of Academic Units as its members

and Registrar as its Member-Secretary, considers the proposals received under the Scheme of Assistance for Studies in Educational Planning and Administration.

Administration and Finance

The administrative set-up comprises three Sections and two Cells, namely, Academic Administration, Personnel Administration, General Administration, Training Cell and Coordination Cell. The Academic Administration and Coordination Cell report directly to the Registrar. Administrative Officer supervises Personnel Administration and General Administration Sections and Training Cell under the overall charge of the Registrar.

The Finance Officer is in-charge of the Finance and Accounts Section and reports to the Registrar.

The total staff strength of the Institute as on 31.3.2002 was 181. The category-wise sanctioned cadre strength of the Institute is given below:

<i>Cadre Posts</i>	<i>Number</i>
Faculty	50
Academic Support	14
Administration, Finance, Secretarial and other Technical Staff	73
Group D	44
Total	<u>181</u>

Staff Changes

Dr. M. Mukhopadhyay, Senior Fellow, NIEPA assumed the charge of Joint Director NIEPA w.e.f. 6.11.2002.

Finance

During the year the Institute received a grant of Rs. 430.00 lakhs (Rs. 210 lakhs under Non-Plan and Rs. 220 lakhs under Plan) against Rs. 526 lakhs (Rs. 201 lakhs under Non-Plan and Rs. 325 lakhs under Plan) received during 2000-2001. **Audit Report on the Accounts of
National Institute of Educational Planning and Administration,
New Delhi for the year 2001-02**

1. Introduction

1.1 The National Institute of Educational Planning and Administration (NIEPA) formerly known as National Staff College for Educational Planners and Administrators was established in May 1979 as a society registered under the Societies Registration Act, 1860. The main objective of the Institute is to be a national centre for excellence in educational planning and administration by means of study, generation of new ideas and techniques, to organise pre-service and in-service training, conferences, workshops, seminars, etc. for senior educational officers of the Central and State Governments, to undertake, aid, promote and coordinate research in various aspects of educational planning and administration and to prepare, print and publish papers, periodicals and books in furtherance of these objectives.

1.2 Entrustment of audit

The audit of accounts of the Institute has been entrusted to the Comptroller and Auditor General of India under section 20(1) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971 for a period of five years from 2001-02 to 2005-06.

2. Finance

The Institute is mainly financed by grants from the Central Government. During the year 2001-02, it received a total grant of Rs. 429.91 lakh (Plan: Rs. 219.97 lakh and Non-Plan: Rs. 209.94) from Government of India, Ministry of Human Resource Development.

3. Comments on accounts

3.1 Understatement of assets

As per approved Format of accounts, stock of publications at cost should have been shown on the assets side of the Balance Sheet. The Institute had not shown the cost of stock of its publication of Rs. 6.45 lakh in its accounts. The Institute stated (April 2003) that the system of accounts being maintained by them is on cash basis and expenses incurred on publication charged as expenditure during the year of occurrence. The reply is not tenable in audit as the cost of stock of publication must be shown in the Assets side of the Balance Sheet as per format of accounts. This resulted into understatement of assets by Rs. 6.45 lakh.

3.2 Understatement of Receipts & Payments

Institute had shown Rs. 10.49 lakh (Rs. 10.11 lakh from employees and Rs. 0.38 lakh from parties) as recovered and remitted to Income Tax Department during 2001-02. But audit scrutiny revealed that Institute had recovered and remitted to Income Tax Department an amount of Rs. 10.67 lakh. This resulted in understatement of Receipt and Payment by Rs. 0.18 lakh.

3.3 Income and Expenditure Account

The following amounts had been shown in the Income and Expenditure A/c inadvertently against the heads mentioned below:

	(Rupees)	
	Shown in Accounts	Should be
Travelling allowance	42,72,395.00	0.00
Pension & Gratuity	23,60,624.00	42,72,395.00
Provident fund contribution (employees shares) Interest on provident fund paid/payable the account of subscribers	0.00	23,60,624.00

Necessary corrections had not been made in the accounts.

3.4 Net impact of comments

The net impact of audit comments given in the preceding paras is that assets as on 31.3.2002 were understated by Rs. 6.45 lakhs. Receipt as well as payments for the year ended on 31.3.2002 were understated by Rs. 0.18 lakh.

4. General Comments

4.1 Non indication of previous years figures in Balance Sheet

The Institute had not shown previous year's figures on the Liability & Assets side of the Balance Sheet.

4.2 Transparency in Accounts

The Institute has not appended to annual accounts 'Significant Accounting Policies' and 'Notes to Accounts'. The former should have indicated significant accounting policies e.g. items, if any, accounted for on cash basis, fixed assets and inventory valuation, etc. In the notes to accounts, non-applicability of income tax on the surplus of the organization, exemption from statutory enactments, treatment of contingencies, liabilities, etc. would be indicated. Such disclosures will introduce transparency in accounts.

4.3 Depreciation on assets

The assets' accounts depict book value of acquisition and do not exclude obsolete, unusable, irreparable and condemned assets and also do not take into account depreciation with corresponding reduction of capital account. Therefore, the capital and assets accounts are overstated accordingly thereby not giving the correct picture.

4.4 Accounting of transaction on cash basis

Accounting system of the Institute was on cash basis. The system of accounting is required to be on accrual basis so that Income and Expenditure account and Balance sheet make a meaningful depiction of the true and fair views of financial position of the organization.

4.5 Bank reconciliation statement

Bank reconciliation statement of the Institute for the month of March 2002 revealed the following:

1. Cheques issued but not presented to bank worth Rs. 14,16,925/-.
2. Rs. 400/- shown less in the credit side of the Account.
3. Cheques amounting to Rs. 32,44,077 though deposited in Bank had not been credited by the Bank.
4. Cheque collection charges amounting to Rs. 100/- made by the Bank but not debited in the cash book.
5. Debits amounting to Rs. 200/- though included in cash book but not made by Banks.

4.6 Unspent grant

- (i) At the beginning of the year, the Institute had an unspent grant of Rs. 8,529.12 (Plan: Rs. 2,606.19 and Non-Plan Rs. 5,922.93). The unspent balance of Rs. 8,529.12 grant was carried forward to the year 2001-02 without obtaining the requisite permission of the Ministry.
- (ii) As on 31st March 2002, the Institute had an unspent grant of Rs. 10,04,215.49 (Plan Rs. 9,96,655.07 and Non-plan Rs. 7560.42). The same should have been shown returnable to the Ministry of Human Resource in the Balance Sheet which was not done.

AUDIT CERTIFICATE

I have examined the Receipts and Payments Account, Income and Expenditure Account for the year ended 31 March, 2002 and the Balance Sheet as on 31 March, 2002 of the National Institute of Educational Planning and Administration, New Delhi. I have obtained all the information and explanations that I have required and subject to the observations in the appended Audit Report, I certify, as a result of my audit, that in my opinion these accounts and Balance Sheet are properly drawn up so as to exhibit true and fair view of the state of affairs of the National Institute of Educational Planning and Administration, New Delhi according to the best of information and explanations given to me and as shown by the books of the Organisation.
