MISSION AND OBJECTIVES

- To be a National Centre for excellence in educational planning and administration, intended to improve the quality of planning and administration in education by means of study, generation of new ideas, and techniques and disseminating them through interaction with, and training of strategic groups and to achieve the same;
 - To organise pre-service and in-service training, conferences, workshops, meetings, seminars and briefing sessions for senior educational officers of the Central and State Governments and Union Territories;
 - To offer M. Phil./Ph.D./Post-Doctoral Programmes;
 - To organise orientation and training programmes and refresher courses for University and College administrators connected with educational planning and administration;
 - To develop networking of Institutions engaged in identical task as that of this University and to play supportive and collaborative role so that State/UT and regional levels are gradually undertaken by them;
 - To organise orientation programmes, seminars and discussion groups for top level persons, including legislators, in the field of educational planning and administration at policy making level in Central and State Governments;
 - To undertake, aid, promote and coordinate research in various aspects of educational planning and administration, including comparative studies in planning techniques and administrative procedures in the different States of India and in other countries of the world;
 - To provide academic and professional guidance to agencies, institutions and personnel engaged in educational planning and administration;
 - To offer, on request, consultancy service to State Governments and other educational institutions;
 - To act as a clearing house of ideas and information on research, training and extension in educational planning and administration services and other programmes;
 - To prepare, print and publish papers, periodicals and books in furtherance of these objectives and especially to bring out a *Journal of Educational Planning and Administration*;
 - To collaborate with other agencies, institutions and organisations, including the University Grants Commission, the University Institutes of Management and Administration and other allied institutions in India and abroad, in such a way as may be considered necessary for the promotion of these objectives;
 - To offer fellowships, scholarships and academic awards in furtherance of the objectives of the National University;
 - To confer honorary fellowships on eminent educationists for their contribution in the field of educational planning and administration; and
 - To provide, on request, facilities for training and research in educational planning and administration to other countries, especially of the Asian Region, and collaborate with them in programmes.

AN OVERVIEW

National University of Educational Planning and Administration (NUEPA) is an apex Indian institution in educational planning and administration. Beginning as the UNESCO Regional Centre for Training of Educational Planners, Administrators and Supervisors in Asia and the Pacific in 1961-62, NUEPA is now a Deemed University, fully sponsored by the Government of India. As it has changed its status and has become an autonomous organization, there has been a paradigm shift in its philosophy, functioning and development. It has shifted its focus from being primarily a delivery institution to a resource institution. Earlier, the emphasis was on staff training; it has now shifted to research and professionalization of capacity building efforts. NUEPA is basically a research University – aiming at supporting human capacity building through research.

According to its charter, the University carries out five major sets of activities. These are :

- Research
- Training
- Consulting
- Extension and
- Dissemination

In order to carry out these activities, the University has organized itself into ten academic departments. The Departments are :

- Department of Educational Planning
 - Department of Educational Administration
 - Department of Educational Finance
 - Department of Educational Policy
 - Department of School & Non-Formal Education
 - Department of Higher & Professional Education
 - Department of Comparative Education and International Cooperation
 - Department of Educational Management Information System
 - Department of Inclusive Education
 - Department of Foundations of Education
-

The academic activities of the University are briefly described below :

Capacity Building

Programme Thrust

The major thrust in capacity building is on promoting research in the area of educational planning and administration, as also networking of training facilities in educational planning and administration and training of trainers so as to develop training capabilities at the regional, state, local and institutional levels. The University also conducts M. Phil. and Ph. D. Programmes towards this end.

Coverage

During the current year, the University conducted 50 programmes. These programmes provided opportunities to 1741 participants drawn from various parts of India and from as many as 49 countries and international bodies. The foreign participants numbered 122.

Training Material

As a part of capability building at the regional, state and national levels, self-learning modules, papers, statistical data, reports on planning and administration have been prepared by the University. In every training programme, a set of reading materials pertaining to the themes of the programme, prepared by the faculty and culled from various sources, is provided to the participants.

Training Methodology

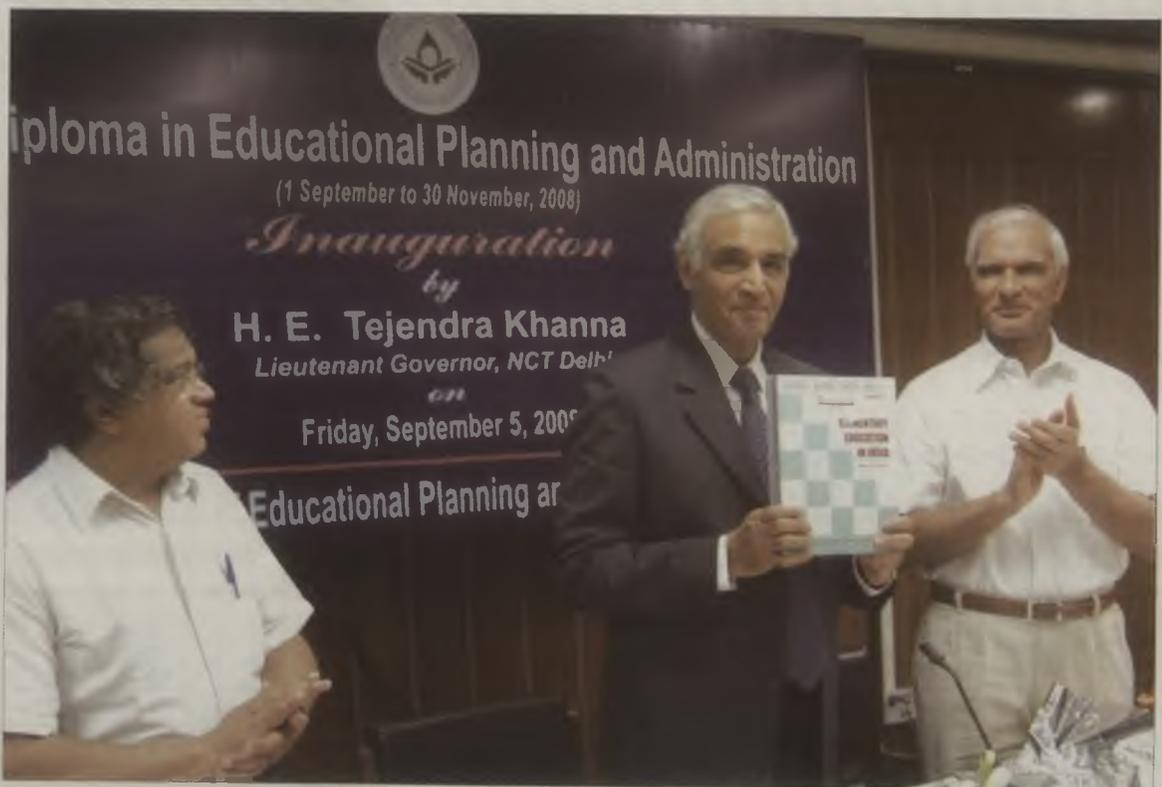

NUEPA is an interdisciplinary institution. Therefore, all its training programmes are also designed with an interdisciplinary focus. Without exception, programme methodologies are informed by state-of-the-art multi-channel learning systems, including lectures and lecture discussions, simulations, role-play, case studies, practical and syndicate work, seminars, etc. NUEPA classrooms are well equipped with modern educational technology facilities like computers with LCD projectors, one plasma, video and television, overhead projectors, white marker boards, etc. One of the major interventions in programme methodologies is field visit that encourages participants to explore for themselves the innovative organizational and management methods.

Programme planning is oriented towards a participative approach. It begins with the initiative of the individual faculty members; their research proposals are reviewed at the Department level with Heads of Departments, Faculty level at the Faculty Council, followed by processing through Academic Council, Finance Committee, and Board of Management that comprise external experts. Before launching the programme, each programme is further discussed elaborately by a Task Force Committee specifically constituted for the purpose. The participants evaluate each programme at the implementation stage and the feedback is used to modify and improve future programmes.

M. Phil and Ph.D. Programmes

The National University offers M. Phil and Ph.D. programmes in educational planning and administration from a broader inter-disciplinary social science perspective since 2007. The three programmes leading to M.Phil. and Ph.D. degrees currently being offered are as under :

- i. Full-time Integrated M.Phil.-Ph. D. Programme
-

H.E. Tejendra Khanna, Lieutenant Governor, NCT Delhi, is releasing the "Elementary Education in India – District Report Cards 2006-07"

Prof M S Swaminathan, Eminent Scientist and Member of Parliament (Rajya Sabha) delivering the University's Second Foundation Day Lecture on "Designing Architecture for a Learning Revolution based on a Life Cycle Approach"

Prof R. Govinda addressing to the participants of the **National Seminar on Education: Access, Exclusion and Outcomes**

Dr Karan Singh and Prof A K Jalaluddin, Eminent Educationists, at the International Seminar on **Quality School Education for All**

- ii. Full-time Direct Ph. D. Programme
- iii. Part-time Ph. D. Programme

Under Full- time Integrated M. Phil-Ph.D. Programme, the University offers M. Phil degree (two-years duration). The two-year M. Phil. programme comprises one year of course work (30 credits) followed by one year for dissertation work (30 credits). On successful completion of the M. Phil. programme scholars are considered for registration to the Ph. D. programme. Such scholars are eligible to submit their Doctoral thesis only after two years of registration for the Ph. D. programme. Scholars admitted to the Direct Ph. D. Programme are expected to complete the one year course work before confirmation of their Ph. D. registration after which they are eligible to submit their thesis after two years from the date of confirmation for registration to the Ph.D. programme. A part-time Ph. D. scholar would be eligible for submission of his/her Ph. D. thesis after a minimum period of four years from the date of confirmation for registration to the Ph.D. programme.

NUEPA offers fellowships to all the admitted scholars for the full time programme.

Achievements in Research

NUEPA extended its outreach in research activities covering a wide spectrum in school and tertiary levels of education. The University has undertaken research at four levels : NUEPA-funded Research by the Faculty and other Researchers; International-funded Collaborative Research, National level Research Projects, and Scheme to sanction researches/seminars on National Policy of Education.

NUEPA-funded Research by the faculty

Twenty three research studies/ projects were initiated during the financial year of 2007-08 and are in progress. These research studies mainly focused on :

- Access and Equity in School Education;
- Small Schools;
- Girls' Education;
- Education of the Disadvantaged Groups;
- Financing of School/Higher Education;
- Participation of Muslims in Higher Education;
- Financing of Elementary Education;
- Salary and Mobility of Teachers in Higher Education;
- Functioning of Parent Teacher Association;
- Revitalization of Humanities Programme in Higher Education;
- Profile of Different Secondary Schools Under the Control of Government;
- Development of Higher Education in South Asia;
- Access, Participation and Learning Achievement in the Slums of Million Plus Cities;
- Post Enumerative Survey of DISE Data-2008-09; and
- Private Universities in India.

International Collaborative Research

- As partner of the International Consortium for Research on Educational Access, Transactions and Equity (CREATE) with University of Sussex, United Kingdom, NUEPA continued to work on access, participation and transition at elementary stage. So far review papers on 11 themes are in its final stages. Four of these papers along with a Country Analytical Review of India and a monograph on small, multi-grade schools have been published in 'Pathways to Access'. In addition, the CREATE team at NUEPA conducted a community and school survey covering 90 schools and 6431 households from 36 villages in two clusters of Madhya Pradesh and one cluster of Chhattisgarh. Besides, thematic researches conducted by NUEPA faculty members are in progress.

National level Research Initiatives

- The mid-decade assessment for "Education for All" has been initiated with focus on "Reaching the Unreached" in collaboration with MHRD and with the support from UNICEF and UNESCO. The report is under publication.
- The National Evaluation of Mid-day Meal Scheme being conducted by NUEPA for M/HRD is in progress.

Grant-In-Aid Committee

- The MHRD has given additional responsibility to NUEPA to promote initiatives to implement National Policy on Education (1986/1992). Under the scheme, NUEPA provides financial assistance to various governmental, semi governmental and nongovernmental organizations after proper scrutiny of their proposals.

Consultancy and Professional Support

Consultancy and professional support is an integral part of the charter of NUEPA. It is intensely involved in educational policy making, planning, implementation and evaluating various schemes and programmes of the Ministry of Human Resource Development, Planning Commission, University Grants Commission and various other national bodies. NUEPA offers its professional support at all levels of education. It also extends its support to the state governments and state level organizations like SCERTs, SIEMATs, State Councils of Higher Education, etc. Besides the national and state level support, NUEPA also provides consultancy and professional support to international organizations like UNESCO, World Bank, SIDA and other agencies.

In recognition of the expertise of its faculty, several faculty members of NUEPA are called upon by various international agencies for consultation in international settings.

Dissemination & Extension

Publications

The primary mode of dissemination of NUEPA's research and conceptual knowledge is through publications. It has generated, over the years, a strong publication programme with several major components.

NUEPA functions as the focal point of the Asian Network of Training and Research Institutions in Educational Planning (ANTRIEP). It publishes the NUEPA Newsletter, and the ANTRIEP Newsletter.

NUEPA brings out a professional periodical in English – *Journal of Educational Planning and Administration (Quarterly)*. The high quality of the journal fetches nearly 40 international journals on exchange basis. NUEPA also brings out *Pariprekshya* as its Hindi journal.

During the year under report, Six issues of Journals/ Newsletter – three issues of the Journal in English and two issues of Journal in Hindi, and one issue of the ANTRIEP Newsletter were brought out.

NUEPA also publishes research reports, conference proceedings, and scholarly output of its faculty. It has also taken the initiative to publish scholarly works and research reports as priced publications. It has also collaborated with private publishers for publication and dissemination on behalf of NUEPA.

During this period, the University also brought out Training Calendar, Announcements of IDEPA and DEPA Programmes, etc. besides several mimeographs and research papers.

Extension Activities

Extension activities mainly relate to conducting request based field programmes, serving as the resource faculty for the government and other agencies, delivering lectures, presenting papers in seminars and conferences and participating in collaborative research activities in the national and international projects.

Other Initiatives

Eminent Scholar Lecture Series

The University has started an Eminent Scholar Lecture Series wherein it invites senior scholars from different fields to give lectures on contemporary issues. This year the university has organized as many as two lectures under the series which are as under :

- “The Changing face of Higher Education in Brazil, Russia and India, China (BRIC)” by Prof. Martin Cornoy on 9th May 2008.
- “Culture at the Crossroads of Globalisation” by Prof. Habib Tanvir on 2nd September, 2008.

Foundation Day Lecture

The University celebrates its foundation on 11th August every year. This year Prof. M S Swaminathan, Eminent Scientist and MP (RS) delivered the lecture on ‘Designing Architecture for a Learning Revolution Based on a Life Cycle Approach’.

Academic and Supporting Departments

The academic programmes of the University are conducted by its ten Academic Departments. A brief account of these academic and the supporting departments is given below :

Academic Departments

Department of Educational Planning : With the shift of emphasis from centralized to decentralized planning, the main effort of the Department is on integration of inputs, processes and products of planning at institutional, district, state and national levels. With the onset of liberalization of the economy, the focus has also shifted to strategic, indicative rather than comprehensive planning in the conventional sense. The Department conducts training programmes and undertakes research in these areas and also provides consultancy to various bodies.

Department of Educational Administration: The focus of the Department is on training and research in educational management. It conducts programmes both for institutional heads and area level officers.

Department of Educational Finance: This Department focuses its activities on crucial issues of policy, planning techniques and management of financing of education, viz., mobilization of governmental and private resources, allocation of resources and utilization of resources in primary, secondary and in higher and technical education, in formal and non-formal forms of education, and in literacy and adult education. Public financing of education, and internal and external efficiency of investment in education are the other serious concerns for research and training.

Department of Educational Policy : This Department focuses its activities on crucial items of educational policy, planning, implementation, review, monitoring and evaluation at all levels, viz., school, formal, non-formal, higher, adult and distance education at centre, state and institution levels. It works as a national support system in policy formulation, its implementation, review and analysis. The Department also works for capacity building of policy makers, planners, administrators and implementers through training, research, and consultancy, in addition to conducting of seminars, workshops and discussion meets in the crucial areas of doctoral research, rotational headship, self-financing courses, deemed university, human rights, women studies, etc.

Department of School and Non-formal Education : The prime focus of this Department is on crucial issues of school education, non-formal education, adult literacy and inclusive education, providing strong empirical base in order to contribute more meaningful inputs for developing and improving education. The six-month Diploma Course in Educational Planning and Administration, a regular contribution of this Department, is one of the most prestigious training programmes of the University. The Department maintains close linkages with government, non-government and international agencies with the objective of restructuring educational system at sub-national, national and international levels.

Department of Higher and Professional Education : This Department works for generation and dissemination of knowledge/information in planning and management of higher education; developing the planning and management competencies among key personnel in higher education through training programmes and workshops for college principals and senior university and state officials; and providing technical and professional consultancy to policy, planning and implementing organizations and institutions of higher education.

Department of Foundations of Education: The Department examines from the inter disciplinary perspectives various social forces, institutions and human relations which influence both theory and practice of education.

Department of Comparative Education and International Cooperation: This Department provides the international interface of NUEPA. The six-month International Diploma in Educational Planning and Administration (IDEPA) for senior educational policy makers, planners and administrators is the flagship programme of the University. Seventy-five developing countries have benefited from the programme. In addition, the Department offers, on demand, tailor-made country specific programmes on educational planning and management. Comparative research on educational planning and management is another unique feature of this Department. On behalf of NUEPA, this Department brings out a bi-annual newsletter of the Asian Network of Training and Research Institutions in Educational Planning (ANTRIEP) for

dissemination of information on research and innovation in educational planning and administration among member institutions.

Department of Educational Management Information System: This Department deals with system level management issues, including logistics management, information systems, control systems, computer applications, operations research in education, project formulation and monitoring, and implementation decision support systems, etc. Another special focus is on capacity building in computer applications among state and district level staff in the design, development and implementation of information systems. The Department also provides technical and professional support for EMIS for the *Sarva Shiksha Abhiyan* and the erstwhile District Primary Education Project. ORSM also works as a service Department looking after the LAN, NUEPA Website, and software development for institutional management.

Department of Inclusive Education: This Department focuses on the conceptualization of Inclusive Education, with specific reference to education of children and youth with disabilities. It also deals with national and international policy and instruments, statements, and Acts formulated in India and other countries for addressing the concerns and issues of persons with disabilities, role of NGOs, Universities, Apex Institutions, Ministries of Health, Labour and Welfare in Planning and Management of Education for children and youth with disabilities.

Supporting Departments

Library and Documentation Centre: A resource centre on educational planning and administration, NUEPA Library and Documentation Centre has a collection of 34,078 books and 19,360 volumes. It receives about 241 Indian and international journals and academic periodicals regularly. Totally computerized and networked, the library provides referencing services through Internet, ERIC and DELNET based virtual library mode. The library in fact is a treasure house of research material on educational planning and administration.

The Documentation Centre offers a unique collection of official reports, documents and other publications of the Central and State Governments, such as state gazetteers, state census reports, world handbooks, educational surveys, five-year plans, etc. For current documents on education in India, there seems to be no better source.

Publication Unit: NUEPA has a publishing programme for dissemination of research and developments in education in the form of occasional papers, journals, newsletters, books and reports. Some of the important periodical publications are: *Journal of Educational Planning and Administration*, *Pariprekshya*, *ANTRIEP Newsletter*, and *NUEPA Newsletter*. It also publishes various research and seminar/conference reports in the form of books. The University is bringing out a series of reports of survey on educational administration in various States and Union Territories.

Computer Centre: This Department backs up the information technology needs of the University. NUEPA leads in using information technology in day-to-day activities, both academic and non-academic. Every faculty member, every administrative and finance Department as well as the library, have the latest computing facilities, with Internet and e-mail services for the faculty members. The Department contributes computer awareness and appreciation module in various training programmes.

Hindi Cell: The Cell offers academic support to research, training and dissemination through rendering in Hindi professional literature on educational planning and management. The cell also helps in implementing the official language policy.

Cartography Cell: This Cell provides computerized mapping and other cartographic services for research and dissemination by developing innovative presentations of data and information through maps, graphs, display charts, tables and transparencies.

Administration and Finance

Administration

The administrative set up of NUEPA includes general, academic and personnel administration. As on March 31, 2009, the University had a total sanctioned strength of 163 staff members, both academic and administrative.

Finance

During the year 2008-09, the University received a grant of Rs 1319.00 lakhs (Rs 668.00 lakhs under Non-Plan, Rs 651 lakhs under Plan). The University had an opening balance of Rs 109.78 lakhs both under Plan and Non-Plan. The internal office and hostel receipts amounted to Rs 79.31 lakhs during the year. The expenditure during the year under Non-Plan and Plan amounted to Rs 1449.37 lakhs.

The University had a balance of Rs 222.71 lakhs and received additional funds amounting to Rs 150.84 lakhs during the year 2008-09 for the sponsored programmes/studies from other agencies. The expenditure during the year on sponsored programmes/studies amounted to Rs 201.76 lakhs.

Campus Facilities

The University has a four-storied office building, a seven-storied hostel comprising 60 fully furnished rooms with attached baths, and a residential complex having 16 Type I quarters, 8 quarters each of Type II to V, and the Vice-Chancellor's Bungalow. Construction of one additional room in the 25 expandable houses, acquired by NUEPA in Bindapur, Dwarka has been completed. Hostel receipts amounted to Rs 15.68 lakhs during the year under report.

2

TRAINING

Training is one of the important functions of the University. During the year under review, the University organized National Diploma, Orientation and Training Programmes, Workshops, International/National Seminars and Conferences etc. for officers of Education Departments of States/Union Territories as well as for university and college administrators engaged in the task of educational planning and administration. The University also conducted International Diploma Programme for educational planners and administrators of developing countries.

Approach and Thrust

Training programmes are designed keeping in view the training needs emanating from new developments in the field. Training needs identified by the participants and the decision makers are also taken into consideration while designing the programmes. Suggestions and feedback given by participants on earlier occasions are kept in view while organizing the programmes. Task Forces are constituted to discuss details of the programmes.

Apart from above, the priority areas, such as planning and management training for school heads, planning and management of secondary and higher education, methodology and techniques of district planning in education under SSA, planning and management of SCERTs/DIETs, quantitative research methods in education, planning and management of Universalization of elementary education (UEE), role of computer in education, etc. are also kept in view while planning the training calendar of the University. Programmes are also conducted for the educational personnel working in DPEP/SSA districts.

The University continues to play its pivotal role at international level by organizing the training programmes, workshops, seminars and conferences for educational functionaries from developing countries in collaboration with various international agencies.

NUEPA is gradually shifting its training emphasis towards the training of trainers and networking with state and regional institutions and university departments of education.

Training Material

NUEPA faculty remained actively involved in the preparation of research/training materials for training programmes. These training materials serve as background papers given to the participants during the programmes. These materials are supplemented by published literature on the subject concerned.

Evaluation

Every training programme is formally evaluated. At the end of each training programme every participant is asked to evaluate the training programme on a structured proforma. In programmes of longer duration, the evaluation is also preceded by one or two mid-term evaluations.

Participation

During the year 2008-2009 the University organized besides the Diploma Courses, 46 Orientation/Training Programmes, Workshops, Seminars, Conferences and Meetings etc. at national and international levels. Out of total 1741 participants, 1619 were Indian participants and 122 from other countries and international agencies. The list of programmes organized during the period is given in Annexure I.

Programmes organized during the year belong to two categories : (a) Diploma Programmes; and (b) Thematic and General Programmes in Educational Planning and Management, and theme based short-term programmes at national and international level. The category-wise programmes are given in Table I.

National Diploma Programme in Educational Planning and Administration (DEPA)

The University completed the third phases of twenty-Eighth Diploma Programme during the year 2008-2009, (April 28 to May 2, 2008) the first phase of which had commenced from September 1 – November 30, 2007 and second and third phases of the same programme were conducted between December 01, 2007 and May, 2008.

The twenty-ninth Diploma Programme commenced during September 1, 2008. The programme had three components :

- (i) Three months intensive curricular work at NUEPA from September 1, 2008 to November 30, 2008.
- (ii) Three months of project work undertaken by the participants in the districts of their posting from December 1, 2008 to February 2009.
- (iii) Five-day workshop based on Project Reports.

The programme was based on lecturer-discussion, panel discussion, case studies, simulation and group discussion on the identified themes. Sufficient time was devoted to practical exercises, library-based assignments; Inter-state field visit and visits to some important educational institutions. Besides these, each trainee was given on the job training, which included supervised project work at the place of work of the particular trainee for a period of three months. They were also required to submit a summary along with their project report.

International Diploma Programme in Educational Planning and Administration (IDEPA)

NUEPA has been organizing six-month International Diploma Programme in Educational Planning and Administration (IDEPA) for educational planners from developing countries every year since 1985. Twenty-Fourth IDEPA Programme commenced in February 1, 2008 and was completed on July 30, 2008. The Twenty-Fifth Diploma Programme commenced on February 1, 2009. The course structure consisted of two components: (i) Phase-I, three months intensive curricular work at NUEPA; and (ii) Phase II, three months field research project in the home country, through his/her own efforts. The methodology of the programme sought to strike a balance between theory and practice. Broadly, it included lecture discussions, simulation and practical exercises, role plays; case discussion, management games, search

conferences, demonstrations, group discussions and panel discussions, and participants' seminars for encouraging them were special features of the course methodology.

The programme also lays emphasis on academic exercise at micro-level, educational cultural field visits, field educational attachments and enrichment lectures. Educational field attachments constitute a major component of exercise of the IDEPA participants at the micro-level in addition to other major areas, which encompass the whole programme. This year the educational field attachment involved visits to and attachments with supra level institutions in and around Delhi and outside Delhi. This year, educational attachments involved visits and attachment with institutions in the states of Haryana, Rajasthan and Maharashtra. For each such visit a nominated trainee/field advisor give a report on the educational visit to particular institutions. The participants visited various educational departments and other educational institutions of Haryana, Rajasthan and Maharashtra.

Sixty one educational planners from various countries participated in these two programmes Country-wise participation in the twenty-fourth & twenty-fifth IDEPA is given in Table VI.

This includes task such as Salary processing, Income tax calculations, Pension, Provident fund computations, etc. An application server with SPSS Statistical Package 17.0 network version is installed to enable users to run statistical applications on network.

Another application server with e-Trust antivirus software with pestcontrol is installed to protect the desktop computers on network.

The computer centre has also set up wireless Network/Internet connectivity to accounts section and some part of Administration Section.

Services

Major services offered by the Computer Centre are to provide better computational and network services extending data analysis, network sharing, Internet and E-mail services, to all the faculty, staff and training participants of NUEPA. For providing these services, a collection of advanced software packages suitable for quantitative data analysis, project management and other activities is available with the Centre.

The Computer Centre maintains the official website of University, www.nuepa.org. The website has also been improving over the years. With increased faculty participation, more information is becoming available. The site is easy to navigate, with convenient features.

The Computer Centre has a firewall appliance that protects both the NUEPA Network from outside hackers and in addition can balance the load that we get from the Internet Service Provider – ERNET to allow users seamless access to the Internet. A Unified Threat Management Solution has been implemented to further secure the network from hackers, for filtering unnecessary traffic, streamlining traffic by specifying priorities, and blocking unwanted sites.

The University has one exclusive Computer Lab consisting of 25 HP Compaq Pentium-IV Computers for Research Scholars and another Computer lab exclusively meant for the trainee participants of the University and is open 12 hours on all weekdays.

The following software packages are available for office automation and data analysis purposes :

AUDIT REPORT

Separate Audit Report of the Comptroller and Auditor General of India on the accounts of National University of Educational Planning and Administration for the year ended 31 March 2009.

We have audited the attached Balance Sheet of National University of Educational Planning and Administration (University) as at 31 March, 2009 and Income and Expenditure Accounts/Receipts and Payments Account for the year ended on that date under section 20(1) of the Comptroller and Auditor General's (Duties, Powers and Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2010-11. These financial statements are the responsibility of University's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the law, rules and regulations (Propriety and Regularity) and efficiency-cum-performance aspects etc. if any are reported through Inspection Reports/CAG's Audit Reports separately.
3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
4. Based on our audit, we report that :
 - i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - ii. The Balance Sheet and Income & Expenditure Account/Receipt and Payment Account dealt with by this report have been drawn up in the format prescribed by the Government of India, Ministry of Finance.
 - iii. In our opinion, proper books of accounts and other relevant records have been maintained by the National University of Educational Planning & Administration in so far as it appears from our examinations of such books.
 - iv. We further report that :
