 - Advancing research in the intersection of Education, Development and Policy Planning

The NIEPA, a leading think tank on Education Policy and Development in India offers a World-class Masters Programme "MA in Education and Development".

The course work is aligned with global academic standards, is multi-disciplinary covering themes of public policy, development studies, and economics of education. Graduates receive course work and internship opportunities.

At NIEPA, we empower individuals to turn aspirations into achievements, with an internationally acclaimed faculty, embedded in the grassroots experience of education planning, administration and policy making. Join us today and unleash your potential! Step into a world of opportunities where creativity and ambition flourish.

The MAED goes beyond being merely an educational journey; it serves as a catalyst for developing productive and engaged citizens who are ready to make a lasting impact.

Click Here for course outline and details.

Interested students may please apply on/before 05 October 2026.
(Email id: maedadmission@niepa.ac.in), with a short one page write up on why you wish to join this course.

**Walk-in interviews are scheduled for
8 October 2026, 9.30 am onwards at NIEPA.**
